Y13 Graduation

The recent Year 13 Graduation ceremony saw over 650 guests come together to celebrate the culmination of many years hard work by the students, and the success that they have subsequently achieved. The grand ceremony at the W Dubai, Palm Jumeirah, welcomed royal guests HH Sheikh Saeed bin Maktoum bin Rashid Al Maktoum and Mr Dino Varkey, Chief Officer of GEMS Education along with parents, students and staff. Special guest speaker Omar Al Busaidy gave an inspiring and speech to motivate students to prepare themselves for higher studies.

Notable mention must go to those students who have competed nationally and internationally in their sporting fields; Caterina Battiston, representing UAE in netball and Irini Van Zijderveld-Paipai, in fencing. And to Rosemary Woolley and Zaid Khan for completing their Gold International Awards, and were presented the prestigious award by HRH Prince Edward, Earl of Wessex earlier in the year.

Antoine De Mascarel was presented with the Mohammed Kassim Award; an award named after a student who passed away and who displayed exceptional values throughout his time at the College. Antoine too has demonstrated incredible values and hard work by leading a surf club for People of Determination.

All at the College are extremely proud of the students for what they have achieved as they head towards the next goal in their academic lives, many heading to leading international universities. We wish them every success in the future.
