Charity & Service

This week, the JC Charity and Service Committee were delighted to present Dubai Cares with a cheque for AED 132,000.

Over the last two years we have been working hard towards this goal. The student-comprised committee headed by Alice Jordan (13S2) has rallied the JC community to organise and participate in a number of events from bake sales and Valentine's Day rose deliveries, to sponsored swims, runs and walks, and even ice pop sales! All events have required students giving up their time as well as their money, in order for us to reach our target.

The Jumeirah College Partnership were instrumental in us meeting the deadline this year and we were extremely generous in making a large donation to the project for which we are very thankful.

The money raised will enable JC to fund the building of a new school in Malawi through the ***Dubai Cares Adopt A School Programme***. The school will provide the local children with access to a quality education as well as run adult education classes and training to help the school and local community become self-sufficient.

Building work will commence at the start of 2020 and we will receive updates as the work progresses. We will also have the opportunity of potentially visiting the site to help with construction and to work with the community on this project. Further details on this will be released once they have been confirmed by Dubai Cares.

We would like to thank everyone who has participated in any Charity and Service event and we hope that you all continue to support and get involved with the projects that run in the next academic year.

Art Exhibition

This year's Art Exhibition is a collection of Year 11 and Year 13 art work from 70 students. It is showcasing one of the biggest collections of work ever seen at JC with over 200 projects on display! The students have worked incredibly hard and we are very proud of everyone.
From the Year 13 cohort, 16 out of 22 students will be pursuing art-related courses at university next year, which is an incredible reflection of their outstanding talent and we would like to wish them all luck and success with their future art careers.

If you haven't been to view the Art Exhibition, please feel free to come and view it 9.00am - 1.00pm each day until June 10th.
A closing show will take place June 10th at 4.00pm - 6.00pm, in which all are welcome to attend.

Eid Break 2019

The College will be **CLOSED:** Sunday 2nd June - Thursday 6th June.

(Exams will continue as per normal schedule.)

College timings will return to normal after the Eid break and staff PD day on **Monday 10th June**.

Thank you to everyone who donated items to the Ramadan Sharing Fridge. This was the first year that JC participated in this initiative and there were some amazingly generous tutor groups that the community benefited from. We hope next year is as much of a success!
