

JUMEIRAH COLLEGE PLACED IN THE TOP 1% OF SCHOOLS WORLDWIDE

Value Added is a means of comparing GCSE and A Level results achieved by students at Jumeirah College with results achieved by candidates of a similar ability at other schools.

THE 2020-2021 VALUE ADDED RESULTS SHOW THAT ...

Jumeirah College attained the top percentile for Value Added at GCSE in 2020-21. This means that at no other school would the students have had a better chance of attaining their target grades. Indeed, the ALPS score of 1.2 is evidence that a student who scored 10Bs at a competitor school would achieve 5 A*s and 5As at Jumeirah College.

At A Level, the results were just as impressive with Jumeirah College placed in the top 1% of schools worldwide, again indicating that we are maximising our students' chances of success.
