PARENT PARTNERSHIP PROGRAMME

We were delighted to have so many parents engage in our newly launched **Parent Partnership Programme** this year, and we do hope that you enjoyed the range of sessions we were able to offer. Our sessions focused on key areas for our students' wellbeing and progress. We look forward to continuing to work with you next year. In the interim please do share any requests for sessions with c.moglain_jod@gemssedu.com.

- College Values
- The Science of Learning
- Locus of control
- Growth Mindset
- Parents and Grades
- Breast Cancer Awareness
- The Human Memory in practice
- Student Resilience
- Student Wellbeing
- Embracing Failure
- Revising to Music
- The Power of Gratitude
- Cognitive Load Theory the Basics
- How can students revise effectively
- Mind mapping Mistakes
- Spacing your Learning
- How to check if you really know something
- Sleep
- Rosenshines Principles
- Sleep
- The cognitive science behind Rosenshine's principles
- 4 ways to improve mindfulness
- How to reduce exam stress
- How to survive being a Year 7 parent

Student of the Month

Zara Hussain 7G1

Zara is an outstanding student in Jumeriah College who has had an incredible impact on the Jumeirah College community this year. Zara has taken every opportunity that comes her way in stride. She has had a significant involvement in the Extra Curricular Activities that are on offer in Jumeriah College. These ECAs include choir, World Scholar's club, Crochet, Trinity drama, Basketball and Reading club. Zara has also relished in taking on leadership roles such as being an active participant in the Eco Committee, speaking in the JPS "How to Thrive" presentation and helping in the Year 6 taster day. Zara has also had a number of accolades this year such as a Bronze medal in UKMT, Arabic student of the month and achieving 3 gold medals in the World's Scholars Club. Zara embodies the JC values of positivity, kindness, integrity and respect. She is an amazing role model to her peers and sets an exemplary example to everyone around her. She has had a wonderful year in Jumeirah College and should be incredibly proud of herself. We are so lucky to have Zara in our Year Group.

Jeshal Mohapatra 8F2

Jeshal has had a fantastic Year 8 since he joined Jumeirah College at the beginning of the year. He has accumulated a large number of recognition points throughout the year, which is a true reflection of his hard work, engagement in lessons and positive attitude to his learning. Well done, Jeshal!

Kei Huq 9S2

This month's student of the month is an empathetic, diligent and resilient young lady. She has impressed her teachers with her positive attitude and willingness to learn. She is a great advocate of the arts and was outstanding in the lead role of Annie. It gives me great pleasure to award June's student of the month to Kei Huq in 9S2

Zahra Kilmartin 10G1

Zahra is a hardworking and dedicated student who tries her very best to achieve the best grades that she is capable of. She continues to act on the advice and guidance given by staff and works diligently during lessons. I look forward to seeing Zahra thrive in the new academic year.

Well Done Zahra and keep up the good work.

Maria Messac 12M2 and Gabrienne Wee Hsuen Li 12M1

Maria Messac 12M2 and Gabrienne Wee Hsuen Li 12M1 for the student of the month. They have both organised an amazing programme to teach English to our support staff. This initiative embodies the JC values and I want to say a big thank you.

Jiya Uttamchandani 13M1

Jiya has proven herself to be incredibly organised and committed to her studies during the examination season. She was a vital member of the prom committee and her invaluable contributions led to the success of the event. Thank you for all your hard work Jiya.
