

4th September 2023

Term 1 Extra-Curricular Activities (ECAs)

Dear Parents, Guardians and Students,

We are very excited to share our Term 1 Extra-Curricular Programme that supports student's all-round development, whilst providing opportunities for your son/daughter to continue exploring their talents and new interests.

Please refer to the latest booklet attached for the timings and dates of each ECA. If you have any questions regarding ECAs please speak to the lead teacher for more information. We encourage students to participate in at least 2 ECAs per term.

Please note the following:

- Students **do not** need to sign up for PE, Music or Drama ECAs. Students just turn up on the relevant day.
- Student sign up for all other ECAs will open at 7.40am on Wednesday 6th September and will close at 3.30pm on Thursday 7th September (Mr Pedder to send the google form to all students via class charts announcements).
- Once students have signed up to their ECAs they simply turn up on the scheduled time and day.
- The ECA timetable may change during the term and amendments will be communicated via the parents class charts app.
- All ECAs will commence week beginning Monday 11th September.

Please remember the first point of contact will be the teacher in charge of the ECA.

We look forward to seeing your son/daughter participating in the array of activities offered at Jumeirah College.

Yours faithfully,

Mr S Pedder
Assistant Principal
s.pedder_jcd@gemsedu.com

TERM 1 2023 -24 ECAs

JC Community Choir with Mrs. Bath

No requirements! Anyone can join. Come and enjoy singing with others.

n.bath_jcd@gemsedu.com

All Years

Music Room

Backstage Crew with Michael Bath (Year 13 AV Captain)

This ECA requires a great deal of maturity, responsibility and technical skills. Therefore, anyone interested must pass the trial period before becoming a member of the BCS. Trial begins week commencing 10th September.

All Years

After School 15.15 - 16:15

Drama Studios

Public Speaking for girls with Wiktorja Blazik (Year 12) and Ms. Trotman

Want to become more confident and eloquent? Then join this public speaking ECA, only for girls! Through fun activities and interactive presentations, you'll learn how to plan, write, and confidently present a speech about a woman you admire. You'll have fun and become a much more self-assured public speaker!

k.trotman_jcd@gemsedu.com

Years 7—11

Lunchtime 11:50-12:30

Lab 4

Darts Club with Mr. Hagar

Students will learn more about the game and developing your skills. You can bring your own darts or use the equipment provided.

d.hagar_jcd@gemsedu.com

Years 9 and 10

Lunchtime 11:50-12:30

Lab 4

Ready, Set, IMPROV with Mrs. Pegna

A fun array of improvisation games, where students will be able to have spontaneous creative fun.

k.pegna_jcd@gemsedu.com

All Years

Lunchtime 11:50-12:30

Drama Studios

Oxbridge Society with Mrs. Howes

Oxbridge tell us they are looking for students who are independent thinkers and imaginative puzzle solvers. Do you approach new knowledge with creativity and adaptability?

Do you keep an open mind and explore possibilities outside of the classroom?

Are you able to share half-formed ideas, showing willingness and flexibility of thought?

If you a) LOVE your subject and b) have the academic profile to consider an Oxbridge application, you need time to prepare. This ECA aims to give you the confidence to demonstrate your creativity, adaptability and flexibility of thought. We look forward to meeting you. Complete perfection is not expected.

j.howes_jcd@gemsedu.com

Years 10—13

After School 15.00 - 16:00

Sixth Form Study Room

Boxing HIIT with Mrs. Perea

Non-contact boxing and exercise class at the TruFusion gym (in Al Ferdous Building 3). Students will have to pay 440 AED (11 sessions) before the end of next week to secure their spots.

l.canadillaspe_jcd@gemsedu.com

All Years

After School we will be meeting the students at reception no later than 3:15 and walking them over to the gym and back for 4:30.

First Aid Club with Mr. Greenfield

In this ECA students will learn basic first aid skills to deal with emergency situations such as CPR, choking, burns, bleeding, fractures and unconsciousness. Mostly practical with use of key first aid training equipment.

c.greenfield_jcd@gemsedu.com

Years 7 - 9

After School 15:15—16:00

Lab 4

JC Striders Running Club with Mr. Woolcock and Mrs. Kesterton and Ms. Hubbard

Students will gain fresh air and exercise in the beautiful setting of Sunset beach, whilst developing their running skills and becoming fitter and stronger.

*Start date for the club is expected to be at the start of October although it will depend upon the heat index for outdoor activities.

j.woolcock_jcd@gemsedu.com

n.kesterton_jcd@gemsedu.com

a.hubbard_jcd@gemsedu.com

After School 15:15-16:30

Beach - accessed by minibus

Junior Law and Politics Society with Ms. Griffin

This is an exciting opportunity for KS3 student's to developed their understanding of law and politics, as students will be able to present legal cases and debate current affairs. It will allow students the forum to improve their literacy and critical thinking skills, key for future success.

e.griffin_jcd@gemsedu.com

Years 7—9

Lunchtime 11:50-12:30

EH1

DT Club with Mr. Parkin

You will make small scale products using a variety of materials & tools including recycled plastics from the house competition.

g.parkin_jcd@gemsedu.com

Years 7-9

After School 15:15 - 16:15

DT1

Intermediate Biology Olympiad with Mrs. Godinho

The Intermediate Biology Olympiad competition is open to students in the first year of post-16 education (Year 12) anywhere in the world.

The competition consists of a one-hour multiple choice paper to be taken online in June. Questions are set on topics students are likely to have covered at GCSE and in their first year of A level. Some additional ideas will be introduced requiring their problem solving skills and understanding of core principals.

Students who take part in the Intermediate Biology Olympiad are encouraged to reference their participation in their further/higher education applications.

h.godinho_jcd@gemsedu.com

Year 12

Lunchtime 11:50-12:30

Library Classroom

Debating with Mr. Tank and Ms. Copsey

In debate club students will continually improve their debating, public speaking and critical thinking skills. Students will compete against other schools in debate competitions too. Initially students will be invited to take part in a trial, and if they are successful will be invited back to join the Debating ECA. Dates will follow for the trials and start of the ECA.

p.tank_jcd@gemsedu.com (Years 10–13)

Years 7–9 After School 15:15–16:15

F1

Critical Thinking for Competitive Universities with Ms. Ryan

The world's top universities tell us they are looking for students who are independent thinkers and imaginative puzzle solvers. What is important is not what you think, but how you think. The Critical Thinking Club is devoted to presentations on controversial topics followed by group discussions to evaluate the quality of available information and help individual members to reach justified conclusions, and to avoid error. With the support of Miss Ryan (Head of Sixth Form), this club will provide students with the opportunity to develop their critical thinking skills to complement university applications and prepare them for the world of work. Complete perfection is not expected.

m.ryan_jcd@gemsedu.com

Year 9–11

Lunchtime 11:50-12:30

Sixth Form Study Room

Chess Club with Mr. Chikasa

In this Club, you will build your critical thinking and problem solving skills. Playing chess will allow your brain to be challenged to exercise logic, develop pattern recognition, make decisions both visually and analytically, and test your memory. Chess boosts the planning skills in addition to improving memory.

Only when playing online tournament, students will need their devices. Other equipment like chess boards will be provided.

e.chikasa_jcd@gemsedu.com

All Years

Lunchtime 11:50-12:30

EH4

Dance with Ms. Killin

A great opportunity to develop and express your dancing skills. Attending this ECA will allow you to be a part of the ensemble.

j.killin_jcd@gemsedu.com

All Years

After School 15:15 - 16:15

Drama Studios

Open Gym with Mr. Mullins

Developing basic gym technique. Must wear PE kit and trainers.

m.mullins_jcd@gemsedu.com

All Years

Lunchtime 11:50-12:30

Fitness Suite

Production: Soloist Rehearsals with Mrs. Bath

Rehearsals for soloists' songs in the production. Soloists will be contacted

All Years

Lunchtime 11:50-12:30

Music Room

Supporting EPQ with Ms. Balfe

Students will have a dedicated time slot to meet with their supervisor for support in writing their EPQ.

You will be required to attend with a charged device and ensure all work is completed on the google classroom only

a.balfe_jcd@gemsedu.com

Year 12 (Only EPQ Students)

Delayed start until 12/9/23 so that all students can be assigned a supervisor

After School 15:00-16:00

TBC

Milkshake Media Film Club with Miss. McCombe

Seniors = Introduction to Film 201

Milkshake Film Club courses will give students the unique opportunity to discover the enthralling world of filmmaking under the expert teaching of working professionals and guest speakers in the film industry.

Introduction to Film for Seniors 201 (Years 11 to 13): In a world dominated by media and technology, Milkshake Film Club helps students analyse how movies are made. Starting with the foundation of film concepts from shot taking, plot structure, mis-en-scene, all the way to cinematography and post production, this paid ECA provides students with a 360 holistic view into the often misinterpreted world of movie making. Using real life examples of commercial projects, the course offers students the unique opportunity to discover the filmmaking. Offered in Term 1 and 2.

*The company has provided a detailed breakdown of workshops with information and prices. I can forward on the booklets so that they can be published in the ECA booklet for student and parents. Bring laptops/device.

Course fees: AED 2000/- for the 10 weeks duration. (No refunds or makeup classes offered.)

o.mccombe_jcd@gemsedu.com

Years 11–13

Afterschool 15:15 - 16:15

Music Room

Mental Math's with Mr. Aikman

This club will help students from Year 7 and 8 improve and sharpen the mental maths skills. A vital skill for pupils wanted to do well in not only mathematics but also in the many maths competitions that students will get to take part in such as 'UKMT'.

l.aikman_jcd@gemsedu.com

Years 7—8

Lunchtime 11:50-12:30

F6

Strong Girls Club with Mrs. Larsen

Each week we will discuss one of today's feminist writers/ thinkers and contemporary thought leaders on the topic of womanhood today. We will use their work as a focus to discuss issues pertaining to the challenges, opportunities, power and joys of womanhood. These may include, as examples:

- What is uniquely powerful about women
- How to deal with misogyny and sexism
- The "Effortlessly Perfect" myth
- When and how to 'lean in'
- Why the patriarchy is bad for men and women.
- What about the boys?

See Mrs Larsen for the club reading list .

Thursday

Sign Language Club with Ms. Wing

British sign language course - There are many reasons to learn British sign language, one being to communicate effectively with family and friends who are deaf or hearing-impaired. The learning of sign language develops awareness and sensitivity to the deaf culture. It also provides cultural enrichment and is the best means of fostering understanding between people who are hard of hearing and those who are not. Furthermore, it gives the opportunity to identify the question and challenge one's own cultural assumptions, values, and perspectives to contribute positively to society. By the end of the course you will receive enough vocabulary to be able to make simple everyday conversation which includes finger spelling, family, numbers, months, time, and much more.

Certificate on completion of the full term.

k.wing_jcd@gemsedu.com

Years 10—13

Lunchtime 11:50-12:30

Lab 9

Old School Games with Ms. Trivic

Come and play Uno, Chess, do a puzzle or bring your own game from home. No devices in this club! Make new friends and enjoy some competitive fun!

Years 7 & 8

Thursday: Lunchtime 11:50-12:30

Art 4

Digital Art Club with Ms. Jackson

Come and learn a range of creative digital drawing techniques with A Level art students Hugh Glenwright and Raahil Chowdhury. Raahil and Hugh are amazing digital artists and they are excited to share their skills with you. To attend the club, you will need a device that is compatible with a stylus pen and access to drawing software such as Procreate or equivalent.

You will need to bring along your device.

All Years

Tuesday: After School 15:15—16:00

Art 3
